CLUB HISTORY

BRIMSDOWN FC

Following the merger of Brimsdown Rover with Enfield 1893 in 2010, there was a void in representative Non-League football for the Brimsdown area. In response, Lee Okugbeni, alongside Osbourne Powell and Peter Omondi, established Brimsdown FC in 2013. The club competed in the MOLTEN SPARTAN SOUTH MIDLANDS LEAGUE, utilising the secondary pitch on The Downs as their home ground, following a successful U18s campaign the previous year.

In February 2018, new management comprised of Ahmet Toygun and Yilmaz Celik assumed leadership roles within the club, boasting over a decade of collective experience in football. Ahmet Toygun, previously involved in managing and coaching North London Football Academy, took sole ownership of Brimsdown FC in May 2020, relaunching the academy and expanding it to include 8 youth teams.

In the 2021/2022 season, Brimsdown FC experienced relegation from the Thurlow Nunn League. However, the following season, they competed in the Essex Alliance League and emerged as champions. Subsequently, in the 2023/2024 season, Brimsdown FC secured promotion back to the Thurlow Nunn League.

Ahmet's vision includes bring back Brimsdown FC to Enfield and establishing their own football ground complete with training facilities.

CLUB HISTORY

BURNHAM RAMBLERS

The first record of football being played in Burnham dates back to 1895, with Burnham Ramblers FC formed in 1900. For 27 years the club used four different grounds before moving to Wick Road. The ground was gradually improved and extended over the years and following success as a junior club, we gained intermediate status in 1960. The club then progressed further to gain senior status in 1985.

Prior to 1985, Ramblers played in many competitions, taking several honours, including reaching the Essex Junior Cup Final on three occasions and the Essex Intermediate Cup Final in 1981, losing to Leytonstone & Ilford.

The club's greatest venture was completed when after years of preparation we moved to our current ten-acre complex, comprising three pitches and a training pitch.

In 1988/9 Ramblers enjoyed its greatest success to date, reaching the last sixteen of the FA Vase, only to lose 1-0 to Southern League Bury Town. In 1991/2 we reached the last 32, losing at Newport (l.o.w) 3-1.

In 1997 the club won its first senior trophy, beating Stansted 2-1 in the Harry Fisher Cup Final. Since then we have been runners up in Essex Senior League competitions eight times.

Three players have gone on to play professional football; Fred Wolfe to West Ham in 1911; Gordon Brasted to Arsenal in 1953 and John Warner to Colchester in 1988. More recently, former junior player Tobias Braney has signed his first professional contract with Premier League Luton Town.

The Club was dealt a devastating blow in 2000 with the untimely death of Chairman, Gordon Brasted. With the demise of the Harry Fisher Trophy, we were delighted to replace it with the Gordon Brasted Trophy in the Essex Senior League, a fitting memorial to Gordon.

Sadly in 2022 we lost another Club stalwart, Martin Leno and the Club has since gone through some major reorganisation with a new Committee formed.

Looking ahead to the 2024/25 season we have appointed a new First Team Manager, Paul Hayes, who arrives with a wealth of experience in the professional game, as well as the upper end of non-league. We have also secured a new sponsorship deal with Nationwide Vehicle Assistance (NWVA). Already a major sponsor at West Ham United, Mick Jennings and his company have given the Club their backing so the future is looking bright!

We will once again be looking to grow on our strong foundations, with the largest number of teams we have ever fielded across all age groups and abilities - 26 in total, including our disability team, wildcats, walking football as well as teams from U7 through to the First Team.

This year will also mark the Club's 125th year – with a celebration day planned on Easter Monday, 21st April 2025.
